

Mountain Dog Sports NADAC Trials COVID-19 Precautionary Measures

In order to keep everyone as safe as possible, we have the following guidelines which will be in place for the trial.

1. **Crating:** There is adequate space at Fairmount Park to spread out canopies, etc. Please use your own canopy or only share with people you have been close to over the past few weeks.
2. **Please stay 6' apart!** We have so much space that this shouldn't be a problem. Please avoid gathering in groups to talk, look at course maps, results, etc. We will not have a morning briefing. If you are new to MDS trials or to NADAC, feel free to find me with any questions.
3. **Masks: Masks are required for walk-thrus.** Walk-thrus will be limited to 20 people at a time. I am hoping to have the run orders marked to show the walk-thru groups.
4. **Results & Ribbons:** I will post results at the trial. They will be taped to a table in the pavilion. Please only one person at the results table at a time! I will also upload the results to my web page throughout the day. I may send individual results at the end of each day. Ribbons will be available, but you will need to sanitize before getting them and help wipe down surfaces.
5. **Leashes:** NADAC is allowing people to carry a leash in their pocket or wrapped around their waist/torso. We will still have a leash runner with a grabber tool. The leash will be placed on the ground and not handed to you.
6. **Workers:** I will not have the volunteer sign up board at the trial. We will still need workers! Ideally we would like one person as timer/scribe since we have electronic timers. There will be hand sanitizer at the tables, so please sanitize before working. I will also have sanitizer in the ring crew chairs. If you help course build, please sanitize before going into the ring.
7. **Raffle:** There will be a volunteer raffle. I will be writing the names of people who work and putting them into a box. I will draw names throughout the day and will have prizes you can choose from.
8. **Food:** Unfortunately I will not be able to provide food/drinks at the trial. Please pack a lunch and plenty of water. I will try to find some single-serve snacks that I can set out.
9. **Bathrooms:** The restrooms at the park are closed. We will have 2 porta-potties and a hand wash station. I will have spray bottles of sanitizer so please help spray down the restrooms.
