RUN SWAPPING

If your club uses the double run format, you may have certain days where you end up with 1 round of Jumpers, and 1 round of Chances, and 2 rounds of regular. What we are allowing clubs to do now is to let exhibitors 'swap' to get an extra round of chances or jumpers. If an exhibitor wanted 2 rounds of chances, you would just need to give up either their jumpers round, or 1 round of regular.

Some rules to go along with this:

a) You must have at least 1 round of regular, you can't swap both rounds to get 2 jumpers and 2 chances.

b) You can't have more than 4 jumping rounds in a day. You can't give up a tunnelers, you must give up a jumping round.

c) You need to do any swaps BEFORE the day of the trial. A second round of chances and jumpers is listed on Friday. This is the only day runs may be swapped.

NADAC RULES AND REGULATIONS

This trial will be held under the current rules and regulations of NADAC. By entering this trial, the exhibitor is representing that he/she is knowledgeable of NADAC's rules. Exhibitors Handbooks are available free of charge by downloading from NADAC's web site at www.nadac.com.

SKILLED AND PROFICIENT CATEGORIES

A dog may be entered in one category, Skilled or Proficient, per weekend. A dog may not be entered in Skilled one day and Proficient on another day. Dogs may enter the Skilled or Proficient category in the Standard, Veteran, or Junior Handler Division. **Note: When entering the Skilled Category, all dogs must jump 4" lower than their Proficient, Standard Division jump height requires.**

Dogs are allotted the standard course time for, and are scored and placed in the jump height entered.

Dogs may have up to five course or time faults and still receive a 5 pt. qualifier toward their Regular Agility title. All other classes require that you have a clean run, with no course or time faults to earn a Q.

VETERAN/DISABLED HANDLER

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Measurement forms may be obtained at <http://nadac.com/Application-for-Permanent-Height-Card.htm>
